=====
It is noted that this was not an “official” meeting as WVH Administration were unable to attend. Thus past members present had a general discussion. Notes from the discussion are included below.

Terms of each representative. Another parent and teacher rep. should be sought. How will we open up the School Council to those who wish to serve? Synervice,

newsletter, etc. Elections or confirming terms will be discussed at November's meeting.

Newsletter or app. wouldn't open. *UPDATE: District new firewall had disabled access to www.wvhs.k12.nf.ca this has since been corrected.*

Liam brought up a concern from some students regarding the impact of having a shortened lunch period (ten minutes) on various groups of students. It was suggested that students try to get some quantitative data on how students are affected, rather than just anecdotal. This item was tabled for November's meeting with Admin. present.

Fundraising: Approval will be delayed to November meeting

- Craft Fair "Christmas in the Valley" November 18
- Chapter's night, November 28th,

Other discussion items:

- Safe Grad. Discussion around motivating level II parents organizing for the Level III's
- Senior Pip Day and the scavenger hunt... what can be done about informing parents about the dangers and negative outcomes that can result?
- Discussion to start meetings at 5:30 instead of 5:00.
- Meetings to take place the second Tuesday of each month.

Discussion adjourned.

First official meeting, November 14th, 5:30
